NEW QUESTION: 1

What doctrine causes a party to relinquish rights under a contract because it knowingly fails to execute those rights?

- A. Material breach
- B. Assignment of claims
- C. Waiver
- D. Warranties

Answer: C

Explanation:

Explanation/Reference:

Explanation:

Under the doctrine of waiver, a party can relinquish rights that it otherwise has under the contract. If the seller offers incomplete, defective, or late performance, and the buyer's project manager knowingly accepts that performance, the buyer has waived its right to strict performance. In some circumstances, the party at fault may remain liable for provable damages, but the waiver will prevent the buyer from claiming a material breach and, thus, from terminating the contract.
