- A. any issuer whose primary business involves investing, reinvesting, or trading in securities.
- B. All of the above accurately describe an investment company as defined by the Investment Company Act of 1940.
- C. any company that holds investment securities that have a value that is greater than 40% of the company's total assets.
- D. required to register with the SEC.

Answer: B

Explanation:

Explanation/Reference:

Explanation: All of the choices accurately describe an investment company as defined by the Investment Company Act of

1940.

NEW QUESTION: 3

Which of the following is responsible for legal and regulatory liability?

- A. Chief security officer (CSO)
- B. Information security steering group
- C. Board and senior management
- D. Chief legal counsel (CLC)

Answer: C

Explanation:

The board of directors and senior management are ultimately responsible for all that happens in the organization. The others are not individually liable for failures of security in the organization.
