Us in the Future, What's more, if you need any after service help on our P3 exam guide, our after service staffs will always be here to offer the most thoughtful service for you.

Though the content is the same, the displays are different to meet all kinds of the customers' needs, Then our P3 latest training material will help you learn some useful skills in your spare time.

You are 100% safe with Plantasparaeljardin, There have been 99 percent people used our P3 exam prep that have passed their exam and get the certification, Plantasparaeljardin were established for many [Risk Management](#) years, we have professional education department, IT department and service department: 1.

Our working time is 7\*24 on-line gold service, To some extent, these P3 certificates may determine your future, You can practice it by your computer, your smart phone, your iPad.

Passing the CIMA P3 exam is an essential way to help you lay

the foundation of improving yourself and achieving success in the future, Our relationship with you doesn't begin and end with your monetary transaction with us.

P3 Exam Bootcamp exam is a very important CIMA Strategic Level Case Study Exam exam, Are you on the way to pass the P3 exam, At Plantasparaeljardin we do not offer anything useless so, we are offering you a P3 Dumps PDF demo to check the features of the CIMA P3 exam braindumps material.

Well-known P3 Practice Materials Offer You Perfect Exam Braindumps- Plantasparaeljardin

Many applicants are determined to apply for positions in parent company, affiliated company or products agent of P3, a certification will be an outstanding advantage over others while interviewing for jobs or competing for the agent of P3 products.

The P3 training materials are so very helpful, I hope we can work together to make you better use our P3 simulating exam, So examinees need the simulator to solve the problem.

As we all know IT certification exams are difficult, now our P3 exam dumps will make your preparation easier, Many learners know once they get this certification they will get a promotion or a raise in salary.

#### **NEW QUESTION: 1**

You work as a network engineer for SASCOM Network Ltd company. On router HQ, a provider link has been enabled and you must configure an IPv6 default route on HQ and make sure that this route is advertised in IPv6 OSPF process. Also, you must troubleshoot another issue. The router HQ is not forming an IPv6 OSPF neighbor relationship with router BR.

Topology Details

Two routers HQ and BR are connected via serial links.

Router HQ has interface Ethernet0/1 connected to the provider cloud and interface Ethernet0/0 connected to RA1.

Router BR has interface Ethernet0/0 connected to another router RA2.

IPv6 Routing Details

All routers are running IPv6 OSPF routing with process ID number 100. Refer to the topology diagram for information about the OSPF areas. The Loopback 0 IPv4 access is the OSPF router ID on each router.

Configuration requirements

Configure IPv6 default route on router HQ with default gateway as 2001:DB8:B:B1B2::1

Verify by pinging provider test IPv6 address 2001:DB8:0:1111::1 after configuring default route on HQ.

Make sure that the default route is advertised in IPv6 OSPF on router HQ. This default route should be

advertised only when HQ has a default route in its routing table.

Router HQ is not forming IPv6 OSPF neighbor with BR. You must troubleshoot and resolve this issue.

Special Note: To gain the maximum numbers of points, you must complete the necessary configurations and fix IPv6 OSPF neighbor issue with router BR. IPv6 OSPFv3 must be configured without using address families. Do not change the IPv6 OSPF process ID.

Refer to the topology below and answer the following question.

Why is the Branch2 network 10.1 0.20.0/24 unable to communicate with the Server farm1 network 10.1 0.10.0/24 over the GRE tunnel?

- A. The static route points to the tunnel0 interface that is misconfigured on the R2 router.
- B. The GRE tunnel destination is not configured on the R2 router
- C. The static route points to the tunnel0 interface that is misconfigured on the Branch2 router
- D. The GRE tunnel destination is not configured on the Branch2 router

**Answer: C**

Explanation:

Explanation/Reference:

Explanation:

The Branch2 network is communicating to the Server farm, which is connected to R2, via GRE Tunnel so we should check the GRE tunnel first to see if it is in "up/up" state with the "show ip interface brief" command on the two routers.

On Branch2:

On R2:

We see interfaces Tunnel0 at two ends are "up/up" which are good so we should check for the routing part on two routers with the "show running-config" command and pay attention to the static routing of each router. On Branch2 we see:

The destination IP address for this static route is not correct. It should be 192.168.24.1 (Tunnel0's IP address of R2), not 192.168.24.10 -&gt; Answer C is correct.

Note: You can use the "show ip route" command to check the routing configuration on each router but if the destination is not reachable (for example: we configure "ip route 10.10.10.0 255.255.255.0 192.168.24.10" on Branch2, but if 192.168.24.10 is unknown then Branch2 router will not display this routing entry in its routing table.

Note: The IP address or configuration may be different in the exam.

**NEW QUESTION: 2**

Section B (2 Mark)

Why do share prices usually drop when news about decline in a company's earnings per share is reported?

- A. The statement is false. Share prices do not usually react about current earnings.
- B. Because a reduction in a earnings means that the firm has less money with which to pay dividends and therefore the market fears a reduction in the company's future dividends.
- C. Both (a) and (b) are true
- D. Because the share market anticipates that a decreased level of earning power might be the indicator of default and perhaps even bankruptcy.

**Answer: D**

**NEW QUESTION: 3**

Directors and officers of a corporation:

- A. Cannot be held liable for property damage caused by a corporation
- B. May be responsible for environmental damage
- C. May avoid responsibility for environmental damage if they exercise due diligence
- D. Are always responsible for environmental damage caused by a corporation

**Answer: C**
